**Recommendation of Lorenzo Imbesi in the position of next Cumulus President  
2022 - 2025**

Dear Eija Salmi and members of Cumulus,

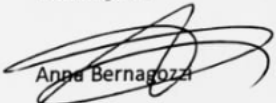

as Professor and Cumulus representative of Ecole des Arts Decoratifs in Paris since 2005, France, I personally know the commitment of Prof. Lorenzo IMBESI, Director of Sapienza Design Research, for many years and I highly recommend him to become the next President of Cumulus Association 2022-2025.

He has been a great promoter of the development of the Cumulus community as a Board member (for two mandates in a row) and even before that. I can witness he tirelessly started initiatives and projects and I personally attended the Cumulus Roma 2021 "Design Cultures" conference, which he co-chaired and organized in very difficult times, and I believe it was one of the most memorable conferences in Cumulus.

I'm convinced that he will bring his leadership and management skills, together with his enthusiasm and human touch to keep the unity and the legacy of our Association.
