Kia ora koutou,

I have known Professor Lorenzo Imbesi PhD since before he joined the Cumulus Executive Board (CEB) in 2016 (CEB VI & CEB VII) . He holds the position of Full Professor of Industrial Design at Sapienza University of Design. I would like to recommend and endorse him for the position and role of President Cumulus Association, in the upcoming CEB VIII.

I endorse the candidate for the consideration of President Cumulus Association, in CEB VIII, and confirm that he is more than appropriately qualified and has the skills to lead a global organisation. His curriculum vitae more than indicates that not only is he a high level researcher but that he has the appropriate people skills to lead the next Cumulus Board.

If you have any queries regarding Lorenzo Imbesi 's character, achievements or suitability for this position, please contact me [apretty@unitec.ac.nz](mailto:apretty@unitec.ac.nz)

Sincerely, Noho oro mai and ngā mihi mō tau mua i te aroaro
