Ref. Call for President and Board of Cumulus  
Endorsement Letter, Lorenzo Imbesi

To whom it may concern

I would like to endorse Prof. Lorenzo Imbesi candidacy as President of Cumulus Association. Since XJTLU has been accepted as a new member of Cumulus, we have had the pleasure to appreciate Lorenzo commitment to the Association operations, and his leadership qualities, in his multifaceted roles as member of the Executive Board, as co-chair of ReVeDA, and as chair of the Cumulus PhD Network.

For his prominent academic background, international portfolio of research, and dedication to establish and consolidate research-focused collaborative networks among diverse academic ecosystems, Lorenzo would be an asset to Cumulus in the role of President, and a great leader in the challenging phase that the Association is undergoing for the transition to a registered entity.

Yours Truly
