Ref: letter of support – Professor Lorenzo Imbesi, candidacy for Cumulus President.

Paris 12/05/22

Dear Eija Salmi and members of Cumulus,

Considering our long-term cooperation and professional friendship,  
I am honored to support Professor Lorenzo Imbesi's candidacy for the  
Cumulus presidency.

On top of his high-ranking academic qualities, his expertise in design  
education and its management, Lorenzo has a long valuable experience  
and commitment at Cumulus.

He has been an active board member advocating and respecting Cumulus'  
original values.

As part of this community for nearly two decades, after attending many  
Cumulus meetings, working groups and GAs, I undoubtedly trust Lorenzo  
Imbesi to represent the quintessential nature of our association and carry  
on its inaugural philosophy and mission.

Yours Faithfully,

Natacha LALLEMAND
