It is a pleasure for me to support Professor Lorenzo Imbesi candidacy for the next Cumulus President 2022-2025.

I have known Professor Lorenzo Imbesi for many years, recognizing his qualities and his seriousness in holding this position and his democratic sense of greater importance to lead the Cumulus Association on the right path. I also consider the importance of Lorenzo Imbesi being President because it opens the association to dialogue, conveying the will of its members.

A handwritten signature in black ink, appearing to read "Raul Amay". The signature is fluid and cursive, with a small dot at the end of the last word.
