

To the Cumulus Community.

On behalf of Elisava, Barcelona School of Design and Engineering, we express our support for the candidacy of Mr. Imbesi for the presidency of Cumulus.

His vision for strengthening global design education, fostering knowledge sharing, and advancing sustainable development is aligned with the values of our institution and the direction set in the previous stage.

We trust that his leadership will contribute to the continuity and evolution of Cumulus, and we support his candidacy in this spirit.

Sincerely,

Cristina Taverner, PhD
Academic Director Elisava

Massimo Menichinelli, PhD
Director Elisava Research
