Subject: endorsement for the position of Cumulus President

I am Ravi Poovaiah, a senior faculty member at the IDC School of Design at IIT Bombay. I am actively involved with the Cumulus Association since a long time, being one of the first members from India.

I am endorsing Lorenzo Imbesi for the position of Cumulus President 2025-2028 for the second term because in my opinion, he has been doing wonderful work and is very capable of taking forward the mandates of this important organization with foresight, warmth and openness.

Thanking You,

Yours Sincerely,

Ravi Poovaiah
