Endorsement Letter

To who it may concern,

I am Wei Jie, the Dean of School of Design at Jiangnan University in China.

I hereby endorse Lorenzo Imbesi as the next Cumulus President for 2025–2028 for his great engagement and dedication to put forward Cumulus missions for the benefits of all Cumulus members. As the first batch of Cumulus members in China, School of Design at Jiangnan University has been an active member of Cumulus. We have been the host of 2018 Cumulus Wuxi conference as well as the 2024 Cumulus Regional Seminar(China), and we have been well supported by Cumulus for our international collaborations. We are looking forward for the next presidency of Lorenzo Imbersi, to continue to play the essential role for the benefits of all cumulus members.

If you have any questions, please feel free to contact me.

Sincerely yours,

WEI JIE
